in 06-127-KAJ. If you had  
done this 4 months ago, like I repeatedly  
requested (I asked you numerous times to  
send me a quote of how much money  
the court would need for copying fees...  
you then turned my requests for a quote  
into a request for free copies) you to do,  
my petition might not have been dismissed.  
Yes, I hold myself completely at fault  
for not cataloging the paperwork I sub-  
mitted to the Court in my support of my  
§ 54. But, you denied me

justice in every sense of the word. Any trained monkey could have read my trial transcripts (and all transcripts I was repeatedly denied access to by the state of Delaware) and vacated my convictions. Lastly, once again, send me a damn quote for the amount of money needed to send me all docket sheets entries (my submitted paperwork). If you send me another bullshit letter, when I get out, you and I are going to talk to each other, real close and personal.
